EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In the specification:

On page 5, line 5, the term "7a-7z" has been changed to --1a-1z--

On page 5, line 13, the phrase "input port 4" has been changed to --input port 2--

2. The following is an examiner's statement of reasons for allowance:

The closest prior art of records, Charny et al, US 6,072,772, and Cloonan et al, US 5,724,352 fails singularly or in combination to teach or suggest the followings:

A method/or apparatus in which a switching fabric for transmitting received data frames comprising (inter alias):

a switching fabric interconnecting a plurality of input ports and output ports, the switching fabric comprising a plurality of crossbar sections, each crossbar section to receive data cells partitioned from a received frame at a respective input port, each crossbar section includes a destination queue associated with a specified destination associated with a specified address in each received frame, each input port includes logic for scheduling the transmission of each data cell to any output port associated with

the destination based upon a crossbar section indicating an ability to receive a data cell at a destination queue associated with the specified address at a subsequent cell transfer interval, as indicated in independent claims 1, 12 and 23.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
